# The Power of Writing

Is there something in your school that could work better? Is there something your community needs? Is there something about the whole world you want to say? Kids can help solve real-world problems. Use the power of writing!

## Plan

Who's on your writing team?

---

---

What is the problem you will write about?

---

---

## Learn

What did you learn about the problem?

---

---

Name \_\_\_\_\_ Date \_\_\_\_\_

What can people do to solve it?

---

---

## Write

Who do you want to tell about the problem?

---

---

What is your message?

---

---

What form will your writing take—a letter, an e-mail, a blog?

---

## Reflect

Think about *what* you wrote. Think about *how* you wrote it.  
How is it helping to solve the problem?
